

K-LOVE serves me as a resident of Chesapeake by giving me commercial free uplifting music each day. I enjoy the positive message of the station and I get to hear my church on the radio if I am unable to get to church on Sunday. The local community would lose a wonderful Sunday Service if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. Also K-Love is one of the very few stations where you don't have to worry about children hearing profain language or topics in music or comments by the DJs.

K-LOVE is in the public interest because it has a positive message, offeres services to listeners like prayer and information on church and Christian activities coming up in the community.
